### IMPORTANT NOTICE Regarding Your Financial Responsibility Insurance Identification Card.

We are required by Pennsylvania law to send you an identification (ID) card. The card shows that an insurance policy has been issued for the vehicle(s) described satisfying the financial responsibility requirements of the law.

If you lose the card, contact your insurance company or agent for a replacement.

The ID card information may be used for vehicle registration and replacing license plates. If your liability insurance is not in effect, the card is no longer valid.

You are required to maintain financial responsibility on your vehicle. It is against Pennsylvania law to use the ID card fraudulently such as using the card as proof of financial responsibility after the insurance policy is terminated.

Please notify us promptly of any change in your address to be sure you receive all important policy documents.

Prompt notification will enable us to service you better. If you would like additional ID cards you can go online to **geico.com** or call us at **1-800-841-3000**.
